01-1277-68 (5 page original typewritten) (B)	<p>(U) Political re-orientation in 1967</p> <p>(C) Directive, classified [VC] ABSOLUTE SECRET, dated 9 Sep 67, signed by Vo Van Dong, Political Officer for Tu Mag [sic] and Command Committee of [U/I] Province Unit, provides guidance for a political re-orientation course to be conducted in the third quarter of 1967 for all three types of troops. Document reveals that personnel are required to understand thoroughly the causes of the enemy [FWAF/RVNAF] failure, especially in his summer offensives of 1966 and 1967. Personnel should be persuaded that greater victories will be gained in 1967-1968 Winter-Spring Campaign. They should be spiritually well prepared to face greater difficulties and, to secure success, they should eliminate all deficiencies such as rightism, fear of airstrikes and artillery fire, and sluggishness. B [Plat] and C [Co] cadre are required to understand that they are to pursue the ultimate objective in all circumstances and that they will gain it in a relatively short period of time. Squad cadre and combatants should be indoctrinated in the necessity of strategic victories without being told the ultimate objective. The required re-orientation time is four days for Plat cadre, and three days for Party members, Squad cadre, Group members and combatants. Upon completion of the re-orientation course, local units are required to conduct an emulation campaign according to a plan established by BS/LC [sic].</p> <p>(U) CDEC Comment: 1. 01-1278-68 (3 page original handwritten, typewritten) (B)	<p>(U) Food Supply of Rear Svc Staff of T6.</p> <p>(C) Order, unnumbered, dated 1967, prepared for the signature of Le Cat, Chief of Rear Svc Staff of T6 [MR 6], provides guidance on issue of food supply and clothing items by subordinate agencies and Main Force units of the entire "T" [MR] during 1967. Order states that to prevent a shortage of husked rice that may occur at any moment, rice substitutes should be used by every combat unit and agency in accordance with this supply procedure: one part of husked rice with one part of assorted cereals or one part of assorted cereals with two parts of husked rice should be issued. Concerning the issue of rations, three kilograms of manioc or sweet potatoes or five cans of corn are equivalent to one kg of husked rice.</p> <p>(U) CDEC Comment: No Further Significant Information.</p>	<p>17 Dec 67 ZT272237 4/44 Inf, 23d Inf Div, RVNAF II CTZ Received CDEC: 4 Jan 68</p>
